

**KMA**  
KAWARTHA MANUFACTURERS ASSOCIATION

**NMA**  
NORTHUMBERLAND MANUFACTURERS ASSOCIATION

**14<sup>th</sup> Annual  
Manufacturing Conference**

**OCTOBER 24, 2018**

**7:30 am to 5:00 pm Travelodge Belleville**  
11 Bay Bridge Road, Belleville K8P 3P6

Join us on October 24th as we hear from innovative leaders to explore how fellow manufacturers are collaborating on and implementing innovative programs and technologies to improve their processes, markets and global competitiveness.

**KEYNOTE SPEAKERS...**

***Pierre Cl  roux - VP, Research and Chief Economist - BDC***  
**The 4th industrial revolution is here. Are you ready?**

*Discover how Canadian manufacturers are seeing dramatic improvements in productivity, growth, customer satisfaction and product quality thanks to digital technologies. You'll also learn how you can introduce them into your own manufacturing business and why it pays to invest in this area.*

***Barry Pokroy – Psychologist PhD***

**Talking So People Listen and Listening So People Talk**

*Discover how organizations make lasting and sustainable changes in the performance of their people and the business itself. His extensive background in clinical psychology accelerates performance and drives lasting results.*
