We would like to apply for the Advanced Manufacturing Relief Program and take part in the following consultations: (choose as many as you like)

- Health & Wellness for Management and Employees
- Learning and Innovating with Your New Technology
  - a) Technical Skills
  - b) Technology & Business Development
- Health & Safety – Current & Future Regulations
- HR – Employment & Labour Law

With the support of the Government of Canada through the Federal Economic Development Agency for Southern Ontario.

**Canada**

- I agree to conduct the consultations before February 20, 2021.
- I agree to complete a follow- up interview to conclude my program participation.
- I have read and understand the process to apply, how consultation scheduling is completed; my company's eligibility and confirm my organization I represent meets the criteria.
- I agree to participate in media releases/events that may generally describe our participation without the release of specific proprietary information.
