

## **NMA Announces the 2021 Manufacturing Excellence Award Nominees**

Northumberland, ON (September, 7 2021) - The Northumberland Manufacturers' Association (NMA) is starting October Manufacturing month celebrations presenting our annual Manufacturing Excellence Awards designed to acknowledge the success and achievements of our local manufacturers.

Each year manufacturing members of the NMA nominate and select their peers to recognize the many achievements in our focused areas of high performance, environment, and employee development.

In addition to the Investing in Employee Development Award sponsored by Fleming College, the NMA presents awards for High Performance Manufacturing and Environmental/Health & Safety. The criteria for each of the awards is posted online at [www.thenma.ca/awards](http://www.thenma.ca/awards).

Fred Kossiem, NMA President stated, "We are very proud of all of our members and their employees. Manufacturers are innovative leaders and drive efficiencies with the help of their workforce throughout all aspects of their businesses. These awards recognize and celebrate local manufacturing by showcasing member contributions towards continuous improvement, the environment, health & safety and workforce development".

Darla Price, NMA Managing Director adds, "While we're still in planning and recovery mode from the COVID-19 pandemic, we have seen some amazing innovations, out of the box thinking and all around top notch performance throughout the past 19 months. We cannot thank our manufacturing employees enough for keeping our Northumberland economy strong".

Please join us in congratulating this year's award nominees:

### **High Performance Manufacturing (HPM) award**

Custom Plastics International  
Kawartha Metals  
Lorenz Conveying Products  
Sunspace Sunrooms

### **Environmental/Health & Safety (EHS) award**

Cameco  
Unitrak

### **Investing in Employee Development award**
