

NMA Announces the 2019 Manufacturing Excellence Award Nominees

Northumberland, ON (September, 5 2019) - The Northumberland Manufacturers' Association (NMA) is starting October Manufacturing month celebrations at Venture13 in Cobourg presenting our annual Manufacturing Excellence Awards designed to acknowledge the success and achievements of our local manufacturers.

In addition to the Investing in Employee Development Award presented in partnership with Fleming College, the NMA presents awards for High Performance Manufacturing and Environmental/Health & Safety. The criteria for each of the awards is posted online at www.thenma.ca/awards.

Fred Kossiem, NMA President stated, "We are very proud of all of our members and their employees. Manufacturers in Northumberland County are innovative leaders and drive efficiencies with the help of their workforce throughout all aspects of their businesses. These awards recognize and celebrate local manufacturing by showcasing member contributions towards continuous improvement, the environment, health & safety and workforce development".

Please join us in congratulating this year's award nominees:

High Performance Manufacturing (HPM) award

Belden Canada
Graphic Packaging International
Horizon Plastics International

Environmental/Health & Safety (EHS) award

AKZO Nobel
Cameco
Lakeland Multi-Trade

Investing in Employee Development award

Recipient is chosen directly by Fleming College.

Congratulations to all the award nominees. We are proud of your investment, leadership and dedication to your business and employees.

Thank you to Hoselton Studio Inc for their dedicated design and workmanship of our awards.

Thank you to BDC who is graciously sponsoring breakfast.

The Annual Awards Ceremony will be taking place Thursday, October 3 at Venture13 in Cobourg.

To learn more about the event please visit www.thenma.ca

About the NMA

The Northumberland Manufacturers' Association (NMA) actively represents manufacturers in Northumberland County. The purpose of the NMA is to promote continuous improvement, innovation, high performance and productivity enhancements through collaboration, education and advocacy.

About Fleming College Cobourg Campus

Fleming College, also known as Sir Sandford Fleming College, is a College of Applied Arts and Technology in Peterborough, Ontario, Canada. The College has more than 6,000 full-time and 10,000 part-time students and 65,000 alumni. Fleming's Cobourg Campus (established in 1971) offers customized training tailored to organizational needs. From short workshops to extensive programs and certification, on location or on campus, expert trainers provide real-world expertise and an effective, interactive, enjoyable learning environment.
