

How It's
Made

Northumberland Manufacturers Open Their Doors and Lets the Community In!

How It's Made, Northumberland Manufacturers' Open House, Saturday, April 22, 2023

Northumberland, ON (March 20 2023) - The Northumberland Manufacturers' Association (NMA) in partnership with Northumberland County are excited to announce – How It's Made, Northumberland Manufacturers Open House on Saturday, April 22.

This one day event has two manufacturers' from select Northumberland Towns open their doors for guests to take tours and to learn what is made in the County and how it's done. Not only can guests tour manufacturing facilities but there is a free community BBQ as well, proudly sponsored by our friends at RBC.

The event is open to all community members aged 10 and older. First tour starts at 10:00am, last tour is at 2:00pm. BBQ is from Noon-1:00pm at select locations.

Participating Manufacturers are:

In Port Hope, CPK Interior Products & Trade Tech Industries

In Cobourg, Graphic Packaging International, Cameco Fuel Manufacturing, & Venture13 Innovation & Entrepreneurship Centre

In Campbellford, Mirmil Products & Blommer Chocolate

We encourage potential guests to visit the website to learn what to expect during the tours (PPE requirements/no camera policy etc..), age groups allowed, find locations and more details.

“An NMA goal for 2023, is to engage with the community more, and we're excited to open our doors and bring you in” Fred Kosseim, NMA President stated. We want to show you our innovation, introduce you to our teams, show you our safe workplaces and maybe, just maybe, build a sense of pride for our local industry – we think community members are going to be blown away by what they see is made right here in the County and the many opportunities that come with it”.

Special thank you to our partners: NCFDC, Royal Bank, WEIR, E360s, Community Training & Development Centre, Classical 103.1
