

Northumberland Manufacturers' Receive Recognition from Their Partners and Supporters

Northumberland, ON (October 27, 2020)

Each year the NMA celebrates manufacturing excellence by hosting an awards ceremony where peers nominate and celebrate together their achievements over the year.

“In October, we celebrate Manufacturing Month in partnership with the Canadian Manufacturers & Exporters. And this event is what kicks off our month of celebration” explains NMA Managing Director, Darla Price.

Well we all know 2020 is a different year, so instead of an awards ceremony to recognize just a few winners, we gathered our partners and supporters of the NMA to celebrate everyone. Watch all Mayor's, MPP, MP and partners from across our County congratulate and thank our manufacturers resiliency.
