Welcome - Darlene Robertson new Executive Director

The Northumberland Manufacturers' Association (NMA) is pleased to welcome Darlene Robertson to the position of Executive Director for the NMA. The new Executive Director will provide organizational leadership, advance the strategic directions of the Association and support the general membership.

"I am excited to be the new Executive Director of the Northumberland Manufacturers' Association to lead the NMA through the next strategic steps of the association." I look forward to continuing to work collaboratively with our membership, local government and established partnerships build and grow upon an already strong foundation." stated Darlene Robertson

Funding Opportunities

SMART GREEN Program

The SMART Green Program was recently launched by CME in partnership with the Ontario Government. The funding program is open to qualifying small and medium sized Ontario based manufacturers in the form of non-repayable grants of 50 per cent of eligible costs up to \$200,000 to support investments in technology and process improvements by manufacturers which result in reductions of GHG emissions.

See article copy here. Be sure to make the articles short and concise as people tend not to read much more than a couple of paragraphs.

Doug Jensen - Vice President launched
NEW Funding Twenty20 Pilot Program

Twenty20 Pilot Program Funding

The NMA delivers a new pilot program and in partnership with the Quinte Manufacturers Association (QMA) and the Kawartha Manufacturers Association (KMA) to create 23 full time positions throughout rural Eastern Ontario. Twenty20 is a rural Eastern Ontario advanced manufacturing sector employer job creation grant for recent graduates of STEM or technical skilled trades positions
